

## ORCHARD HOUSE SURGERY

### Schedule of Fees

Most of the services we offer are free under the NHS. Some services are not covered and for these your GP, like any other professional, will charge a fee. The fee will reflect the healthcare professional's time to carry out the service, their professional opinion, as well as the cost of other staff support and consumables. Please see below our list of non-NHS fees. Please note you will be required to pay your fee at the time you receive the service. We are able to accept payment by debit or credit card.
